Proposition Placed on Primary Election Ballot for Andale and Sherman Township

(Sedgwick County, Kansas) – As part of the regular Sedgwick County Commission meeting to June 26, the Sedgwick County Board of Commissioners approved the petition to allow the following proposition to be placed on the Primary Election Ballot for the City of Andale and Sherman Township:

“Shall the City of Andale and the Sherman Township join in the creation of a library district pursuant to K.S.A. 12-1236, with the boundaries of:

- (A) Sherman Township, Sedgwick County, Kansas, and
- (B) City of Andale, Sedgwick County, Kansas.

“We were presented a valid petition, so the Commission agreed to allow this proposition to be placed on the ballot,” said County Commissioner Tom Winters. “It is now up to the citizens to decide if they want to create a Library District.”
